

Senior Trainer, Construction Trades

Alteristic seeks a dynamic and charismatic public speaker with demonstrated leadership skills to join our training team. We are a high-growth, mission-driven organization dedicated to creating workplaces, communities, and educational institutions that are safe, equitable, and free from all forms of violence, with a focus on preventing workplace harassment and sexual assault. The Senior Trainer, Construction Trades will provide training and technical assistance primarily for trades organizations. This position will manage a portfolio of, and deepen relationships with, new and existing trades partners. The ideal candidate will have exemplary interpersonal and public speaking skills, initiative, and will be highly collaborative.

Alteristic offers a competitive salary commensurate with education and experience, and our benefits package includes health, dental and vision insurance, life insurance, generous leave, and retirement.

This is a remote position. Candidates may reside anywhere in the US. This position requires some travel.

Job Duties:

- Provide training for diverse populations including trades partners, government departments, agencies, affiliated entities, corporations, and other organizations on evidence-based prevention strategies to address all forms of harassment and bullying in the workplace, as well as sexual

assault and other forms of intimate partner violence across settings primarily for trades.

- Provide training and technical assistance in the domains of workplace harassment and bullying, and all forms of harassment including sexual assault, and intimate partner violence, and effective community mobilization including but not limited to the Green Dot Violence Prevention strategy with a focus on trades organizations.
- Under the supervision of the Vice President of Programs, serve as a point of contact for technical assistance related to prevention strategies, primarily for construction trades organizations. This includes providing telephone and web-based consultation regarding effective prevention and supporting clients through the process of implementing prevention strategies.
- Manage, develop, and strengthen relationships with existing trades partners.
- Proactively identify new trades partners and develop relationships.
- Master new and existing training programs and stay abreast of key developments in the field.
- Other duties as assigned.

Employment Requirements/Competencies:

- Master's degree or bachelor's degree with equivalent experience
- Experience working within the trades industry
- Previous experience providing high-level training or adult education

Strength of hope.
Power of action.

Alteristic is a non-profit organization that tackles societal issues at local, national, and global levels. Alteristic provides comprehensive prevention education, consultation, and training that addresses sexual assault, dating and domestic violence, stalking, harassment, suicide, and other issues. Committed to optimizing and activating inherent human good, Alteristic equips and mobilizes communities to create social norms that ensure safety, respect, and the opportunity to thrive for all people. Rigorously evaluated and shown to move the needle, Alteristic was founded on the principles of the widely disseminated Green Dot violence prevention strategy.

Alteristic works with domestic and international communities, educational institutions, government entities, and corporations to amplify the actions of individuals toward transformational social change.
